PRESIDENT'S MESSAGE:
Marlene Carney

February may be the shortest month of the year, but it is rich with meaning and purpose. It's a time to celebrate love and friendship, honor important chapters of our shared history, and continue the spirit of service that defines our club.

This month is filled with meaningful observances. Black History Month invites us to recognize and reflect on the profound contributions of Black Americans whose leadership, creativity, and perseverance have shaped our nation's history, culture, and progress. February is also National Heart Month, National Library Lovers Month, and National Self-Check Month. And, on a lighter note, it is even "An Affair to Remember" Month—in honor of one of my all-time favorite movies.

Of course, February also brings Valentine's Day, reminding us that love comes in many forms. Beyond cards and chocolates, this is a wonderful opportunity to express care through kindness, generosity, and genuine connection. Whether it's checking in on a friend, lending a helping hand in our community, or simply sharing a smile, these small gestures create ripples that extend far beyond ourselves. And just as important, remember to treat *yourself* with love and care as well.

This month, we will be collecting nomination forms for **Club Member of the Year** and **Citizen of the Year**. These honors allow us to recognize individuals who have gone above and beyond in service to our club, their communities, and their families. Choosing just one recipient in each category is never easy, as so many contribute in meaningful ways. Your participation in this process is truly appreciated.

I would also like to extend a heartfelt thank-you to **Susan Minnihan** and **Linda Roache** for their hard work in organizing and delivering our club reports. My gratitude also goes to all our Project Chairs for compiling those reports, and to every club member who contributed time, talent, and treasure to our projects. At our meeting, my report will share some impressive facts that highlight just how effectively this club fulfills its mission.

As the year continues to unfold, February encourages us to remain engaged and energized. Our club thrives because of the dedication, compassion, and fellowship of its members. I invite each

of you to consider stepping into leadership—whether as a project chair, a lead for a specific activity, or as part of the executive committee. Our club exists because of strong participation and committed leadership. You are also encouraged to invite friends to attend a meeting and discover the many social and community connections our membership offers.

Thank you for being the heart of the **La Verne–San Dimas Woman's Club**. Together, we continue to make a meaningful difference—one act of service, one moment of friendship, and one month at a time.

"Love recognizes no barriers. It jumps hurdles, leaps fences, penetrates walls to arrive at its destination full of hope."

PRESIDENT'S AIDE/AMENITIES:
Jennifer Nummelin

Our Club collaborates with numerous agencies on our projects. *it really does take a village". Periodically, we have speakers present to us, so we can become more acquainted with their community involvement. Our April Speaker is Penny Stevenson of 'Military Heroes' organization, and our May speaker is Steve Slakey, of 'Eye Diseases are Serious' organization.

CO-FIRST VP/DEAN OF CHAIRMEN:
Susan Minnihan & Linda Roache

It's hard to believe, but the holidays are all behind us, and routines are back as we're already heading into the second month of 2026! Hopefully this newsletter finds you feeling ready to tackle 2026 with energy and enthusiasm!

We have so many wonderful women that are in our club, whether they have recently joined or have been members since its inception in 2016. It's been over ten years of dedication and commitment by members that has made our club such a success and has grown to where it is today.

With the above being said, it does take that commitment to carry on and in the next few months we will be looking for replacements for many of our chairmen. Several chairmen will be "termed out" of their positions. Meaning they have fulfilled two terms (each term being two years) and it will be necessary for them to step down. Therefore, we will be needing others to fill their shoes!

In the newsletter, we have periodically been highlighting our Chairmen and the Programs that they hold. This month we are focusing on Civic Engagement & Outreach; Jennifer Nummelin

and Candy Miller are co-chairs of this Program. This is one of several Programs that will be open in June for the coming 2026-2028 term. Take a moment to read through the article about them and the Program position they hold and perhaps becoming a Program Chairman or Co-Chairman could be something you would consider.

Within the next month or so we will be letting you know of all openings that will need to be filled. Remember, past Chairmen or we as Dean of Chairmen are here to help answer any questions. Just let one of us know and we'll be glad to explain further about any position that you are considering. Remember our Club needs Chairmen and Leads to facilitate our Projects and services within our communities. Your help with filling these roles is vital for us to continue as we have these past ten years.

Looking forward to a year full of accomplishments!

Susan Minnihan & Linda Roache

CO-SECOND VP/MEMBERSHIP:
Jody Mentzer & Sonya Whatley

February is a wonderful time for our Woman's Club to celebrate connection, friendship, and the shared purpose that brings us together. As we move through the heart of winter, our upcoming meetings and activities offer a warm opportunity to reconnect, support one another, and continue the meaningful work we do in our community. February is also **Heart Health Month**, a reminder to care for our own well-being and to support initiatives that promote cardiovascular health for women and families. Whether through **shared experiences**, service projects, or planning for the months ahead, every member plays an important role in strengthening our club. We encourage you to join us, invite a friend, and help make February a month filled with engagement, generosity, and renewed enthusiasm for all we hope to accomplish together.

Leadership Opportunity We invite members to consider serving as **Second Vice President for Membership**, a vital role in the strength and growth of our Woman's Club. This position offers a meaningful opportunity to welcome new members, support retention, and help foster the sense of belonging that defines our organization. If you enjoy connecting with others, sharing the value of our club, and helping it thrive, this role may be a wonderful fit. Your willingness to lead ensures a vibrant future for our club, and we encourage you to step forward or learn more about this rewarding opportunity. If you think you might be interested, please reach out to me or any member of the Executive Committee for more information.

Club Member of the Year nominations are due to Sonya Whatley by February 13, 2026. The criteria for this award: "One that has gone above and beyond in their participation in the Club." Nomination forms were sent out January 21st.

Citizen of the Year nominations are also due by February 13, 2026. The nomination form and criteria were sent out to members January 21st. You can also email me (Sonya) to request info or another form.

Our goals continue to be building membership, membership retention and promoting the value of belonging to this fabulous club focused on helping the community and having fun at the same time. Membership in the GFWC La Verne-San Dimas Woman's Club has been a huge plus in the lives of so many. The projects that we have worked on, the social events we have experienced, the smiles on the faces of those we serve, the friendships gained, and the camaraderie have been so rewarding. We encourage all our members to **promote the club** and all that we do. Tell your friends about the club and invite them to join us. Our combined efforts make a huge difference in the lives of so many, and they make a difference in our own lives.

CIVIC ENGAGEMENT & OUTREACH:
Jennifer Nummelin & Candy Miller

Did you know that "Quitter's Day" for New Year's resolutions was January 10th? Now that it's February, we've pushed the guilt behind us, making resolutions in the morning and keeping them, on a good day, until dinnertime, and adjusting our goals to those that are attainable. A goal of our club, and an honorable reason for your involvement, is to become engaged in our community and assist those in need. No need to hold your breath because I have just the opportunity! At our February meeting, you will have the chance to assist our military families in need. On March 14, working with the Rotary Club, a Food Drive is being held to help curtail the food insecurity that our local military families are experiencing. A sign-up sheet, with a commitment of an hour and a half, will be available. More info will be given at our February meeting, but you can resolve to volunteer, wash away the January guilt, and give back to those that give so much, but get paid so little. Save the date…March 14 from 9am to 3pm.

It is chocolate bunny time!! Once again, we collect chocolate bunnies, please bring them to the MARCH meeting. (*They can be purchased at the Dollar Tree) Some of us then deliver them to Sowing Seeds food pantry, who will provide them to local families as part of their Easter food giveaway.

DOMESTIC VIOLENCE & SEXUAL ASSAULT AWARENESS & PREVENTION:
Marina Salcido

I hope you all had a happy 2026 new year. This month is a great time to participate in our various on-going projects. Crossroads accepts gently used women's clothes and shoes. Your donations will help women released from incarceration transition back into society. Donations can be delivered to 1269 Harvard Avenue in Claremont and placed in the driveway in front of the big red shed doors. Don't forget to write a note that donations were made by LV/SD Women's Club. Please note that House of Ruth is not equipped to take in used items unless it has been arranged through their outreach personnel. House of Ruth does have a wish list of items in need for women and children who are victims of domestic violence along with a food

pantry list. If you are interested in donating and would like a copy of the wish list or pantry list, please message Marina at dirt4us4@yahoo.com. You may drop off those wish list items at 599 N. Main Street in Pomona. Shirley Vanderbeck will be collecting cellphones at our monthly meetings. Verizon will clean all data and set them to only make 911 calls. All cell phones are given to shelters who will distribute cell phones to victims of domestic violence. Help me give you the proper credit for all the fantastic work you do to support our programs. Please log in your time, money, and in-kind donations in project folders.

Marina at dirt4us4@yahoo.com.

ENVIRONMENT

Happy February Ladies. Please remember that you can still participate in our environmental projects all year long at your own pace. Just set those extra cups for Corky in a small box aside and bring them to our February meeting. Every plastic bottle or aluminum cans collected will help our environment and help our local school by taking them to a recycling center and giving your donation to our club treasurer Cathy Koch. Your donations will be forwarded to Bonita High School Band to help purchase equipment and uniforms. Thank you to all our members who have been bringing your own beverage cup to our monthly meetings. You are assisting in the reduction of Styrofoam waste in our local landfill. We will continue accepting any gently used towels and bedding for Inland Valley Humane Society. Your donations will help keep many animals warm. You can bring them to our meeting or contact Jennifer Nummelin. If you have any questions, please contact Marina at (626) 643-0912 or come to talk to me at our next meeting if you have any ideas of how we can help our environment.

HEALTH & WELLNESS: Chairman Gloria Schaaf

Heart Month 2026 is an annual observance dedicated to promoting heart health and preventing cardiovascular diseases. It serves as a reminder for individuals to prioritize their heart health through education and lifestyle changes. Throughout February, various activities, events, and educational campaigns will take place to raise awareness about heart disease, which remains a leading cause of death worldwide.

In recognition of **Heart Health Month** please wear red at the February 19th general meeting.

Girls Love Mail: A handwritten letter/note has the special power to heal. Girls Love Mail collects your hand-written letters of encouragement, bundles them, and sends them, via the caring staff at cancer centers, to women newly diagnosed with breast cancer. Every letter is a gift from you to a woman going through a difficult time. This is a hands-on project that we will do during the general meeting in March. If you have any surplus note cards or blank greeting cards (should not exceed the measurements of 4.75" x 6.5) please bring them to the meeting.

WOMANS HISTORY: Sue Bosek Herrera

Hello ladies and welcome to Black History Month. Black History Month is a time to honor the resilience, brilliance and lasting impact of African Americans who have shaped the United States. This month I'd like to celebrate the legacy of influential black American women. Among those trailblazers are black women whose courage and vision transformed history, often in the face of extraordinary barriers. Their contributions span civil rights, politics, literature, business, sports and culture - leaving legacies that continue to inspire generations.

Harriet Tubman stands as one of the most iconic figures in American history. Born into slavery, Tubman escaped and then repeatedly risked her life to lead others to freedom as well. Her work as an abolitionist, spy and nurse during the Civil War exemplified unmatched bravery and selflessness.

In the 20th century, Rosa Parks became a catalyst for the modern Civil Rights Movement when she refused to give up her bus seat in Montgomery, Alabama. Her quiet act of defiance ignited the Montgomery Bus Boycott and helped dismantle segregation in the south.

Madam C.J. Walker broke barriers in the business world as America's first self-made female

millionaire. Through her haircare empire, she not only created economic opportunities for black women but also became a philanthropist and advocate for civil rights and education.

The arts and literature were forever changed by Maya Angelou, whose words explored identity, resilience and humanity. A poet, author and activist, Angelou gave a voice to the black experience in America and reminded the world of the power of storytelling.

In modern history, Oprah Winfrey transformed media and philanthropy. Rising from poverty to become a global icon, she redefined talk television and used that platform to promote education, empathy and empowerment of all races.

Breaking political barriers, Kamala Harris made history as the first black woman to serve as Vice President of the United States. Her achievement represents progress built on the sacrifices of generations before her.

From Freedom fighters to cultural icons, black women have shaped America through strength, innovation and unwavering determination. Black History Month is not only a time to remember their achievements but also recognize how their legacies continue to influence the fight for women and women of color to fight for equality, justice and opportunity.

Don't forget, we are still collecting the U.S. Mint American Women's History quarters to finish our collection for 2025.

We are looking for Vera Rubin, the pioneering astronomer who proved the existence of dark matter in space which changed our understanding of the universe forever; Stacey Park Milbern, South Korean and American activist for disability justice; Juliette Gordon Low, founder of Girl Scouts and who we can thank for those delightful cookies every February and, finally, Althea Gibson, American tennis player and professional golfer and one of the first black athletes to cross the color line of international tennis.

Keep your eyes peeled for these quarters and, if you find one, please present it to me with a short biography on that legendary woman of history for you (or me) to present at a meeting.

Project Lead: Gayle Garcia

Cups for Corky is our on-going Environment project. Those of you reorganizing can make room on those shelves by donating your gently used cups to Corky's. The Cups for Corky's basket will be on the stage at our monthly meetings.

Everyone can help reduce the waste in our landfill by bringing your own cup to each meeting.

Please remember to record all your time, in-kind donations, and any money donated to any environmental project.

Marina dirt4us4@yahoo.com

Every meeting I collect eyeglasses (broken or not), eyeglass cases, old cell phones, and pop tops from cans of soda, soup, dog & cat food, etc. Bring them and I will collect them. Pop tops go to support the Ronald McDonald House; eyeglasses and cases go to Eye-DAS to support the blind; old cell phones are taken to Best Buy to be wiped of all memory and reprogrammed with 9-1-1 and given to the Battered Women's Shelters.

Thanks to all for the donations.

Review the below list, circle a project (or two) that you're interested in and contact that corresponding project leader, Jennifer, Candy or myself. We are ready to assist you!!
